

## SUPPORT BFM 2020

### The Bergamo Film Meeting Onlus Funding Campaign

Films are a precious commodity and a shared cultural heritage and, since 1983, the mission of Bergamo Film Meeting Onlus is to preserve and promote them: 3343 films programmed, 37 editions of the Festival, over 1 thousand viewers and 109 books published are the numbers of the BFM organisation's activities during these years.

Bergamo Film Meeting is an organization whose aim is to bring international cinema to Bergamo and Bergamo in Europe, always striving to discover and promote new independent international productions and young filmmakers, while also keeping alive and thriving the legacy of the great masters of cinema and the masterpieces of the past.

The support campaign is aimed at those **who share the same passion**, and who want to explore it further in any possible direction.

#### THE TESTIMONIALS

Taking inspiration from some of the greatest legends and icons of the silver screen featured at Bergamo Film Meeting along the years, for 2020 we've set up once again five donor levels, each with its own special perks and acknowledgements. Those who join the support campaign can choose to wear the shoes of **Kim Novak**, **Carole Lombard**, **Bette Davis**, or those of all the stars of **Hollywood BLVD** or the stars of the most famous **Oscar**-winning films. All donors will become part of the SUPPORT BFM community and are entitled to tickets and access passes to the Festival, discounts for workshops and special events, invitations to exclusive events and, of course, the ever-so-coveted BFM gadgets and goodies.

#### WHAT WILL DONATIONS BE USED FOR

All donors participate in the making of the 38th edition of Bergamo Film Meeting, one of the most important film festival both in Italy and Europe, also supporting and encouraging the countless activities carried out by the BFM organisation during the rest of the year: screenings, events, workshops, master classes.

#### WHEN IS IT POSSIBLE TO MAKE A DONATION?

Fundraising is always active: every year we restart our campaign and we ask all cinema and Bergamo Film Meeting fans to renew their trust in our project.
